Rules for a Good Life

- “1. No one can ruin your day without your permission.
2. Most people will be about as happy as they decide to be.
3. Others can stop you temporarily, but only you can do it permanently.
4. Whatever you are willing to put up with is exactly what you will have.
5. Success stops when you do.
6. When your ship comes in, make sure you are willing to unload it.
7. You will never "have it all together."
8. Life is a journey, not a destination. Enjoy the trip!
9. The biggest lie on the planet: "When I get what I want I will be happy."
10. The best way to escape your problem is to solve it.”
